Sales, Service, Installation of these Products:

Cummins continues its legacy of providing reliable, durable diesels to the marine market with a broad range of power – 5.9 to 95 liters – for commercial, government and recreational applications.

Nobody makes a more reliable, powerful, and efficient lineup of outboard motors than Mercury from 2.5hp - 350hp. Backed by decades of innovation and leadership, Mercury outboards are built to go the distance, delivering legendary performance driven by forward-thinking technology.

Yanmar has gained an enviable reputation for providing the world’s marine and racing community with technologically sophisticated marine engines, drive systems, products and service of unparalleled performance and quality with pleasure engines 10hp - 480hp and commercial engines to 480hp.

With SmartCraft innovation throughout, Zeus provides a seamless approach to propulsion technology, marine electronics, and on-board information management that makes boating safer and more enjoyable than ever. Zeus offers dramatically improved high-speed handling and delivers up to:
- 30% improved fuel economy
- 15% faster cruise speed
- 15% faster top speed

17 Smith Avenue, Niantic (East Lyme), CT 06357
A STUNNING SHORELINE
UNPARALLELED LAKE BEAUTY

These are just two of the best reasons to buy and keep a boat in Connecticut.

However, did you know that some of the best boat dealers, talented technicians, bold carpenters, painters and composite crafters, electrical, plumbing and HVAC experts, dock staff, concierge, marina managers and more are located along these stunning shorelines and beautiful lakes?

And they are all here to serve you.

When you take advantage of the 2.99% sales tax rate you not only save a bundle on your boat, motor and trailer – you keep the best of the best in Connecticut.
